

MARQUETTE UNIVERSITY GRADUATE SCHOOL

Financial Aid Application for Admitted Students

Instructions: This form is to be used only by students who are admitted to the Graduate School. Students applying for admission should use the *Application for Graduate Admission and Financial Aid* form to apply for aid. **Awards from the Graduate School are merit-based not need-based.** They are awarded on academic record and future potential, not on financial need. Three letters of recommendation addressing your academic ability must be on file in the Graduate School. If you already have three letters on file from your application for admission, new letters are not necessary, unless new or additional letters are required by your department. Students in business programs (ACCO, BUAD, and HURE) should send their letters of recommendation directly to the Graduate School of Management. Students on probation and non-degree students are not eligible for financial aid; however, non-degree students may apply for the Milwaukee Area Teachers Scholarship. Current financial aid recipients must reapply for any additional support beyond the amount indicated in their most recent award letter. Requests for further information should be directed to the Graduate School (414) 288-7137. The Graduate School will begin mailing decisions to applicants about one month after the application deadlines.
